

#### COURSE DESCRIPTION

This course is a study of the roles of different properties of foods and their practical applications in dietary adjustment for various TCM diseases and disorders. Students will learn the principles of nutrition, the basics of nutritional assessment, and the functions of specific foods according to Traditional Chinese Medicine. Students will also be taught to evaluate a patient's food journal and give appropriate suggestions for improvements.

---

#### LEARNING OBJECTIVES

Upon completion of this course, a successful student will be able to gain understanding of the principles of nutrition, the basics of nutritional assessment, and the functions of specific foods according to Traditional Chinese Medicine.

Students will be able to evaluate a patient's food journal and give appropriate suggestions for improvements.

---

#### COURSE PREREQUISITES

Tao of Nutrition - Maoshing Ni and Cathy McNease

---

#### RECOMMENDED TEXTS

---

#### COURSE REQUIREMENTS

##### Out-of-Class Work

To successfully complete the program, students need to plan studying a minimum of 2 hours out-of-class for each academic in-class hour; and half an hour out-of-class for each hour of clinical training.

30% Attendance

30% Mid-Term Examination

40% Final Examination

**10 weeks X 2 hours**

GRADING SCALE: 100-90% A, 89-80% B, 79-70% C, 69% and below F

---

#### SPECIAL NOTES

**Professionalism and Full and Prompt Attendance:** To pass any course (separate from academic performance) all students must meet requirements for professionalism in coursework. Professionalism includes full and prompt attendance: Students who miss more than 2 class meetings in a 10-week course will earn an F in that course. Additionally, students who arrive more than 15 minutes to class or leave class before it ends will be marked tardy. Two tardies equal one absence. NOTE: Students who leave and return to class late from a break or leave during the class (especially if this is repeated) or who disrupt the class in other ways may be referred to the Academic Dean for professionalism.

---

CLASS ONE (The syllabus is subject to change at the discretion of the instructor.)

Introduction
